Beach Accommodations Announces Beach Condo Rental Now Available at Pink Shell Vacation Villas

Summary: A beach condo rental at Pink Shell Vacation Villas is now available through Ft. Myers Beach vacation rental company, Beach Accommodations. A virtual tour of the property and photos are available at www.beachaccommodations.com

November 8, 2011 – Fort Myers, FL With the winter and holiday season approaching, available beach vacation rentals are becoming scarce as the Northern weather becomes brisk. However, Beach Accommodations, a Ft. Myers Beach, FL vacation rental company, announces they now have a beautiful condo rental available at the Pink Shell Vacation Villas. Virtual tours of the property and photos are available on Beach Accommodations website, www.beachaccommodations.com

The Pink Shell Vacation Villas are located on beautiful Ft. Myers Beach, at the popular North end of the island, next to Bowditch Point Regional Park. The Villa is also only minutes away from Ft. Myers Beach Town Center, the sunset & fishing pier, and Times Square, with an array of dining, shopping, and entertainment.

The available condo rental is a lovely remodeled beachfront 2 bedroom 2 bath 5th floor unit, facing the South end of the island, with side windows. The condo includes a private, screened balcony, with breathtaking views of the beach and sparkling, blue-green waters of the Gulf of Mexico.

In addition to the beachfront screened balcony, a second screened balcony off the master bedroom offers great views of the Beach, as well as the Bay waters of Mantanzas Pass.

“This Pink Shell Vacation Villas are one of our most popular properties, because of their prime location on Estero Island, and the gorgeous views from the condos”, said Kristin Odoski, Operations Manager, Beach Accommodations. “With the unseasonably frigid temperatures and snow in the Northeast, we are thrilled to be able to provide vacationers a beautiful, affordable respite from the cold. The weather on Fort Myers Beach has been nothing but gorgeous sunshine, Gulf Breezes, and blue skies. We are very excited about adding this condo at Vacation Villas to our available properties, providing visitors with an escape to paradise!”

The bedding in the Pink Shell Vacation Villa includes a king in the master bedroom, twins in the guest and a queen sleeper sofa that sleeps up to six. Guests at the Pink Shell Vacation Villas also have access to a variety of amenities, including a beachfront Heated Pool and BBQ Grill.

The Pink Shell Vacation Villa is available for weekly, monthly and seasonal rentals. For more information or to book this property, call Beach Accommodations on their toll free number 1-877-BEACH-IT, or visit their website at www.beachaccommodations.com book online.
